**Kentucky Personnel Cabinet To Host
Non-Profit Organizations of Service for Women Fair**

FRANKFORT, KY (March 24, 2008) – In honor of Women’s History Month the Personnel Cabinet will be hosting an informational fair showcasing non-profit and community organizations who are working to improve conditions for Kentucky’s women and girls.

“Exhibiting Organizations of Service for Women in Kentucky” will be the theme of this year’s fair. The fair will be held at the Transportation Cabinet Corridor from 11 a.m.-2 p.m. on March 28, 2008.

Attending the fair will provide women with the opportunity to visit various non-profit groups. One vendor who will be in attendance is The Bluegrass Alliance for Women (BAW). BAW is open to all individuals and organizations that are committed to improving the economic status of women in the Bluegrass. Their mission is to create grassroots opportunities that empower women and girls in the areas of leadership, education, health and well-being, equity, and economic sufficiency.

Executive Director of the Office of Human Resource Planning and Diversity Initiatives, Michelé Lawlis views *Exhibiting Organizations of Service for Women in Kentucky* as an opportunity to “Expand the resource knowledge of state employees on additional services and community groups available to meet their personal needs, or possibly those of a friend or family member. Our employees will also be exposed to volunteer opportunities that may enhance their community involvement. We value the commitment of these organizations, as their tireless efforts help to ensure our Commonwealth will continue producing women who have the potential to make history.”
